Dr. Harold Whiteman  
Assistant to the President  
New York University  
Washington Square  
New York, New York 10003

Dear Dr. Whiteman:

This letter will acknowledge your authorization for us to determine the Fair Market Value of one F.M. radio transmitter.

This work has been entered on our production schedules, and Mr. Clark R. Johnson, Eastern Field Superintendent, is planning to personally supervise the work. He hopes to be able to start the appraisal late this week. We will notify Mr. Otis Freeman, Vice President of WPIX a day or so in advance of the arrival of our representative at the property.

Charges for the services as outlined above, will be based upon our standard per diem fee for the representative while engaged on the assignment, plus expenses and an office charge commensurate with the amount of work involved in property research and analysis, pricing, and any other operations involved in the completion and delivery of your report. It is estimated that the total cost of this engagement will be approximately \$300.

We sincerely appreciate this opportunity to be of service to you, and want to assure you that this assignment will receive our careful and continued attention.

With best wishes.

Sincerely yours,

THE AMERICAN APPRAISAL COMPANY, INC.
